

ACCUPREC
RESEARCH LABS PVT. LTD.

Ultimate solution...

FDCA LICENCE NO. GTL/37/31
AYUSH LICENCE NO. GATL/03

AYUSH Testing Services

(FDCA License No. : GTL/37/31)

(No. Cert/ GLP/ Accuprec/ 2015/ SC-2/ 32202/ B)

(Regl. No. 1709/PO/Rc/S/13/CPCSEA)

(Certificate No. 2017-HK-0010)

(Certificate No. TC - 6124)

(Certificate No. 201710-01)

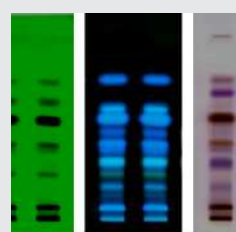

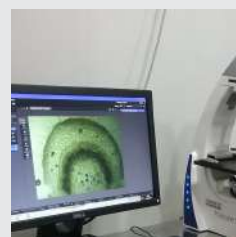

(LICENCE NO. : GATL/03)

Accuprec Research Labs Pvt. Ltd.

1 Physico-Chemical Testing Services (as per Ayurvedic Pharmacopoeia of India)

- Acid insoluble ash
- Acid Value
- Alcohol Soluble extractive value
- Alcohol Content
- Alkaloid analysis
- Boiling Point
- Congealing range
- Detection of Mineral Oil
- Determination of Viscosity
- Ether Soluble Extractive Value
- Fatty oil
- Foreign Matter
- Iodine Value
- Limit Test
 - Arsenic
 - Chloride
 - Iron
 - Lead
 - Sulphates
- Melting Range
- Moisture Content
- Non-Reducing Sugars
- Nutritional value analysis
- Optical rotation
- Peroxide Value
- pH determination
- Phenol content
- Protein Estimation
- Reducing Sugars
- Refractive Index
- Residual solvent analysis
- Saponification Value
- Specific Gravity
- Starch estimation
- Sulphated Ash
- T.L.C
- T.S (Microscopical Identification)
- Tannin content
- Total Ash
- Total Solids
- Volatile Oil in Drugs
- Water Soluble Extractive value
- Water Insoluble Matter
- Water Soluble ash

2 Microbiological Testing of AYUSH Formulations

- Escherichia coli
- Pseudomonas aeruginosa
- Salmonella
- Shigella
- Staphylococcus aureus
- Bile-Tolerant Gram negative bacteria
- Specified organism(s) test
- Total Aerobic Plate Count
- Yeast and mold plate count

3 Heavy Metals & Toxin Analysis

- Limit test
- Heavy metals by ICP-OES
- Aflatoxins
- Qualitative and Quantitative analysis of Pesticide residues

4 Phyto-chemical services

- Development of herbal formulations
- Extraction, fractionation and characterization of phyto-constituents using modern sophisticated technologies like FTIR, NMR, MS, GC-MS, LC-MS, etc.
- Estimation of phytochemicals
- Standardization of herbal as well as Ayurvedic medicine
- Validation of Ayurvedic Medicine

5

Pre-clinical & Toxicological services

- Anti Cancer Activity (In - Vitro/ In Vivo)
- Anti HIV Activity
- Bio - Analytical Study
- CNS, CVS, Anti-diabetic Activity, Anti obesity Activity
- Customized Screening of Services
- Development of Animal Screening Models
- Screening of Analgesic, Anti - Inflammatory and Anti - Arthritic Activity
- Toxicological Studies (As per OECD and Schedule Y Guidelines)

**6**

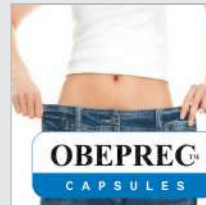

Clinical Services

- Clinical site management as per requirement by the sponsor.
- Clinical Trial of Phase II, III and IV for Herbal Drugs as per schedule Y, ICMR and ICH-GCP guidelines
- Preparation of Clinical trial Protocol for Herbal Drug and Regulatory Approval thereof

**7**

Research & Formulation Development Services

- Controlled Release and Sustained Release formulations
- Excipients Compatibility Selection and Optimization
- Optimization of Existing Formulations
- Tech Transfer and Commercial Production Support
- Design & Development of Innovative & patentable Herbal formulation
- Isolation, Purification & Characterization of Pharmaceutical and Herbal
- Nano technology based Nano formulation, Nano Nutraceuticals and Nano based Cosmetics.

**8**

Regulatory Dossier & IP Management Services

- Patent Search, Drafting & Filing
- Trademark Search & Filing Services
- Industrial Design Search & Filing Services
- Copyright Filing Services
- Technology transfer & License agreements.
- Preparation of CTD & e-CTD Dossier for countries like USA, Canada, Europe, Brazil
- Preparation of Dossier for Herbal Formulations

We Will Be Happy To Provide You Below Mentioned Research & Testing Services

- Analytical testing of Pharmaceuticals & Cosmetics
- Biotechnological Services
- Microbiological Services
- Bio-Compatibility Studies of Medical Devices
(As per ISO 10993, MHRA & USFDA Guideline)
- Formulation & Development Services
- Dyes & Pigment Testing Services
- Herbal Formulation Development
- Stability Testing Services
- Preclinical & Toxicology Services
- Regulatory Dossier Preparation
- IP Management Services
- Clinical Services
- Phytochemical Services
- Food Testing Services
